

## K-3 Peek at the Week

May 24, 2010

*Dear Parents,*

*The end of the year has arrived and it will be bitter-sweet for us teachers! When we have said good bye and given our last hugs, we will go home and just sit and reflect on the year, and how much we will miss each child in a special way. Each one has grown and learned so much! We could not be more proud of their many accomplishments.*

*Thank you for your commitment to their Christian education and for fulfilling all the demands that we have come up with! You all have been so supportive and wonderful. We sincerely thank you for all the very special gifts, treats and notes. It truly has meant so much to us!*

*We pray a safe and restful summer for you and your family, and we look forward to seeing you around campus in August. Thank you for allowing us to be part of your child's early education at WCS!*

*Mrs. Pybas and Mrs. Fawcett*
